

Scone Estates Gardens and Grounds Supervisor

An excellent opportunity has arisen for an experienced gardener looking to further their career, or for someone currently in a similar position to join the team caring for the historic gardens and grounds of Scone Palace as a team supervisor. The 100 acres of gardens and grounds include a fine tree collection, Victorian Pinetum, maze and an expanding plant collection.

The successful applicant will be working directly with the Head Gardener to ensure that all areas including the wider designed landscape, are maintained and developed to the highest standards, instructing and managing staff and volunteers in their daily duties.

The team also support other departments of this 5-star tourist attraction, particularly Palace and Events during events held in the gardens and grounds.

There is an exciting programme of developments underway and in planning within the gardens and grounds, walled garden and surrounding landscape.

Experience in the use and maintenance of tools and machinery is key for this role as is an understanding of relevant health and safety legislation, ensuring deadlines are met whilst carrying out work in a safe and efficient manner. A full driving licence is also essential.

Applicants must be passionate about plants and gardens and the presentation of them, be able to work in a flexible and adaptive manner plus be a positive communicative team member able to inspire others. Weekend work will be required on a rota system.
